Libra, a coin you dropped down the well resurfaces, brighter for its journey. **Scorpio**, a storm passes, and sky you'd almost forgotten. **Capricorn**, an idea you've been casually snacking on deserves to be the main course.

Aquarius, a flower you planted for someone else has bloomed facing you instead. **Pisces**, the tide is returning something you released. Wade out when you spot it.

Leo, the fire you tend draws unexpected travelers -- save them a seat. **Virgo**, a new wall invites you to hang the pictures you've been hiding away.

Aquarius, a flower you planted for someone else has bloomed facing you instead. **Pisces**, the tide is returning something you released. Wade out when you spot it.

Gemini, two roads you thought were separate are quietly leaning toward the same oasis. **Cancer**, a side door you've walked past daily swings open with an accidental nudge. **Aries**, the spark you've been guarding finally wants air -- open your hands and breathe. **Taurus**, a stubborn knot that you've worked for months turns out to be a soaring kite string.

Gemini, two roads you thought were separate are quietly leaning toward the same oasis. **Cancer**, a side door you've walked past daily swings open with an accidental nudge. **Aries**, the spark you've been guarding finally wants air -- open your hands and breathe. **Taurus**, a stubborn knot that you've worked for months turns out to be a soaring kite string.
